

T E X T A

For people who love art and books

T E X T A is no ordinary book club; it's for people who love art. We use fiction to unpack the subjects, themes and emotions of art. Conversation is never colourless, and is facilitated by our brains trust from QUT Creative Industries Faculty.

The evening commences with a brief tour of the current exhibition followed by a glass of wine and generous amounts of conversation about the book.

Sessions are held throughout the year on Tuesday evenings from 6:15pm at QUT Art Museum and the William Robinson Gallery. Books can be purchased from the Gardens Point QUT Bookshop and QUT Art Museum.
